

Pen Pals

Circle the word **us** every time it appears in the letters. Count how many circled words are in each letter, and write the number in the box. Find out which pen pal used the word **us** more.

Dear Alex,

I hope you can visit me this summer. There are so many things for us to do. My dad will make us pancakes every day. Our tree house is big enough for us to sleep in. You can stay with us as long as you want!

Sincerely,

Justin

Dear Justin,

You've planned a lot of fun things for us! My parents want you to come camping with us. They will take us to the mountains. There is a tent just for us. Call us and let us know if you can come.

Sincerely,

Alex
